MYM Announces Consulting Agreement with Master Grower

Vancouver, B.C., October 10, 2017 – **MYM Nutraceuticals Inc.**, (CSE: **MYM**) (the “Company” or “**MYM**”) is pleased to announce it has entered into a consulting agreement with Master Grower, Zachary Tietolman.

Under the agreement, Zachary Tietolman shall provide to MYM the following services consistent with a Master Grower for an initial term of five years:

- Manage and oversee MYM’s commercial marijuana growing and production.
- Manage grow warehouse employees.
- Develop and/or maintain grow warehouse protocols and nutrient regiment.
- Manage plant scheduling and organization to precisely project all garden needs on a daily, weekly, and monthly basis to keep garden green and expenses low.
- Catalogue and analyze each individual strain from clone to flower to harvesting.
- Execute preventative maintenance and elimination of all types of mold, powdery mildew, spider mites, root aphids, fungus gnats, etc.
- Use the technique of Soilless growing methods including micronutrients, beneficial bacteria and nutrient implementation.
- Continuously explore new techniques and insight to expand knowledge in nutrient of individual strains, high yield recipes, controlled stress environments to different lighting systems and set ups.
- Assist government auditors with inventory, sales and compliance audits with Health Canada.
- Comply with all HR policies including confidentiality and non-disclosure.

“Finalizing the agreement with Master Grower Zachary Tietolman is yet another step forward for MYM and our goal of building world class medicinal cannabis production facilities”, said Rob Gietl, CEO of MYM. “Zachary has a proven track record and is well respected in the industry. His experience and connections will be of great value to MYM as we embark into the growing stages of production”.
